Welcome to Ruby's Inn at beautiful Bryce Canyon and our annual spring conference!

Our state holds such a wealth of variety and beauty, but the Bryce Canyon area has to be one of my favorite locations. I have been looking forward to this conference and the opportunity to get together again. I am pleased with the events that have been planned. Whether you are a first-time attendee or have attended for many years, I believe this conference will be a great experience. Sheri McKendrick, 1st Vice President, and Joanne Lessar, 2nd Vice President, along with the entire UMCA Board, have worked hard to make this conference a success. I thank them for all the time and energy they have so willingly contributed. I also thank Vickie Schulkoski, Escalante City Recorder, for encouraging us to come to this location, and for her willingness to help whenever we called upon her. It takes a lot of work to put a conference together but with a team like this you cannot fail!

I consider it a privilege to be a member of UMCA, and it is an honor to serve as your President. If there are any suggestions, changes, questions or concerns during the week, please contact me or any one of the board members. You are our peers and mentors. You are what makes this organization a success. Please take the time to seek us out and visit with us. We are interested in you and in your input.

I hope you enjoy the conference!
