

WELCOME TO OUR

QUARTERLY QUILL

We're so glad you're here!

HEY, HOW ARE YOU?

President's Message

The theme for this year is “Be Your Own Superhero, but don’t forget to look for the Superhero in others.”

How do we do this? My niece was asked who her superhero was. Her reply was, “My future self.” We need to look at our accomplishments to date and what we would like to accomplish to be our best future selves. That could mean getting a higher education, taking seminars, teaching a class, or learning to have a work/life balance. The choice is yours; make it a good one and be the SUPERHERO you want to be, but make sure you lift others as you go.

Thank you,

Pam Spencer

UMCA President

Recorder of the Year 2023

Tangee Sloan, West Jordan City

Congratulations to Tangee Sloan as the 2023 UMCA City Recorder of the Year. Korban Lee, Chief Administrator for West Jordan City, nominated Tangee. He wrote in part; Tangee has been with the City of West Jordan for nearly 26 years. She started her employment in the IT Division where she got to know employees throughout the organization. She then worked as a Deputy City Clerk before becoming the City Recorder. During her tenure with West Jordan, she supported dozens of different elected officials and City Managers. When Tangee became the City Recorder, it was within weeks of West Jordan becoming a council-mayor city. This meant that every function that was previously handled by the City Clerk and two Deputy City Clerks had to be re-considered.

Tangee has taken on several new and challenging roles in the organization. She was tasked with leading the Customer Service Office, supervising seven new employees. Tangee has a breadth of knowledge about the community and the organization; she has been an asset as she oversees every type of call that comes into the organization.

Tangee is a critical part of the team at West Jordan and an invaluable public servant. Her attitude and professionalism sets a tone of customer service for all of our employees.

Congratulations Tangee!
